## **Per- and Polyfluoroalkyl Substances (PFAS) Statement**

(Proposed PFAS National Primary Drinking Water Regulation)

**Components Express, LLC.** complies with the mandate as of January 1, 2023 when the EPA announced the National Primary Drinking Water Regulation (NPDWR) for six PFAS including perfluorooctanoic acid (PFOA), perfluorooctane sulfonic acid (PFOS), perfluorononanoic acid (PFNA), hexafluoropropylene oxide dimer acid (HFPO-DA, commonly known as GenX Chemicals), perfluorohexane sulfonic acid (PFHxS), and perfluorobutane sulfonic acid (PFBS).

As a supplier of Industrial Cables and Cable Harnesses, we are aware of the responsibilities for protecting the environment and human health. We monitor the prohibited substances and restricted substances related to per- and polyfluoroalkyl substances. Our products are up-to-date based on the verified information from our suppliers and EPA Regulations.

In the best of our knowledge, our products are in compliance with the PFAS Regulation and do not contain these substances.

We continue to follow the update of the EPA's PFAS regulation and ensure the conformity of our products.
