China ROHS II Material Declaration Certificate

This is to certify that products supplied by Components Express LLC are **China RoHS compliant** per Chinese RoHS standard GB/T 26572-2011 released in 2016.

Products supplied by Components Express LLC. are European **RoHS compliant** as of 08/06/2011 and meet the requirements of the current **RoHS Directive 2011/65/EU & 2015/863** in which Chinese RoHS II is based upon.

RoHS compliant cables will have less than the stated composition limit below for the six banned substances.

Table 1: Material Composition Limits for **RoHS**

Substance

Maximum Limit (ppm)

Lead (Pb) (and its compounds) 0.1% (<1000ppm)
Cadmium (Cd) (and its compounds) 0.01% (<100ppm)
Mercury (Hg) (and its compounds) 0.1% (<100ppm)
Hexavalent Chromium (Cr6+) (and its compounds) 0.1% (<1000ppm)
Poly Brominated Biphenyls (PBB) (and its compounds) 0.1% (<1000ppm)
Poly Brominated Diphenyl Ethers (PBDE) (and its compounds) 0.1% (<1000ppm)
