

REACH REGULATION DECLARATION CERTIFICATE

The European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), established and enforced in June 2007. It affects all companies producing, importing, using, or placing products on the European market. The goal of the REACH regulation is to improve the protection of human health and the environment from the risks that can be posed by chemicals.

Components Express, Inc.'s substances management system follows and complies with the current revision of the REACH Regulation on the substances as identified by ECHA (European Chemical Agency) found at <https://echa.europa.eu/regulations/reach/>

Components Express, Inc.'s products are considered articles as defined in REACH. These products under normal and reasonable conditions of use do not have intended release of substances. Therefore the requirement in REACH for registration of substances contained in these products does not apply.

Components Express, Inc.'s products do not contain any of the Substances of Very High Concern (SVHC) candidates listed above the regulatory threshold of 0.1% in our products/article nor does CEI's tonnage exceed 1 ton per importer per year. Therefore the requirement in REACH to notify ECHA of products/articles exceeding these limits is not applicable.

Components Express, Inc.'s operations do not manufacture or import chemicals; therefore Components Express, Inc.'s is not required to register substances.

THE REACH SVHC LIST IS EVER CHANGING AND SHOULD NOT BE ASSUMED THE FINAL REACH CANDIDATE LIST.
